

Denmark / Scandinavia

- Strong need from Scandinavia to Germany and further
- 32.500 has signed the petition so far
- New DSB concept for DK-DE rail line (from Dec. 2021)
- With elec. locomotives and day-passenger coaches via Jutland from 2022 (until then with old IC3 equipment)

New momentum climate/airlines/trains

Very large crowd to a meeting about climate, flying and trains Thursday 4.10.18.
